Right now, there are children and young people in our community who can't live safely at home. If you've ever thought about becoming a kinship or foster carer, guardian or adoptive parent and opening your home and your heart to a child or young person in need, join us at this informative event to learn more.

Hosted by My Forever Family NSW and featuring a representative from the Department of Communities and Justice NSW, plus a carer sharing their experience.

Register your attendance for the session on our website:
